			Deposit	verify Amount Deposit	A Deposit will not be possible with an Empty amount Deposit	1- fill a correct Account Number 2- keep Amount Deposit Empty 3- fill a Description 4- click on Submit button	1- Account number:1234 2- Amount Deposit: 3- Description:Deposit Desception	An error message "Amount Deposit cannot be empty" must be shown	Cannot be executed due to connection issue	fail
					A Deposit will not be possible with a special character in an amount deposit	1- fill a correct Account Number 2- fill an Amount Deposit with a special char 3- fill a Description 4- click on Submit button	1- Account number:1234 2- Amount Deposit:500# 3- Description:Deposit Desception	An error message "Amount Deposit contain Special Characters" must be shown	Cannot be executed due to connection issue	fail
					A Deposit will not be possible with a character in an amount deposit	1- fill a correct Account Number 2- fill an Amount Deposit with a char 3- fill a Description 4- click on Submit button	1- Account number:1234 2- Amount Deposit:500E 3- Description:Deposit Desception	An error message " Amount Deposit Character are not allowed " must be shown	Cannot be executed due to connection issue	fail
				verify Description	A Deposit will not be possible with an Empty Description	1- fill a correct Account Number 2- fill a correct Amount Deposit 3- keep a Description Empty 4- click on Submit button	1- Account number:1234 2- Amount Deposit:500 3- Description:	An error message "Description cannot be empty" must be shown	Cannot be executed due to connection issue	fail
			Withdraw	verify Account Number	A withdraw will not be possible with an Empty account Number	1- keep Account Number Empty 2- fill a correct Amount 3- fill a Description 4- click on Submit button	1- Account number: 2- Amount:500 3- Description:Desception	An error message "Account Number cannot be empty" must be shown	An error message "Account Number cannot be empty" is shown	pass
					A withdraw will not be possible with a special character in an account Number	1- fill Account Number with a special character 2- fill a correct Amount 3- fill a Description 4- click on Submit button	1- Account number:1234# 2- Amount:500 3- Description:Desception	An error message "Account Number contain Special Characters" must be shown	An error message "Account Number contain Special Characters" is shown	pass
					A withdraw will not be possible with a char in account number	1- fill Account Number with a character 2- fill a correct Amount 3- fill a Description 4- click on Submit button	1- Account number:1234E 2- Amount:500 3- Description:Desception	An error message " Account Number Character are not allowed" must be shown	An error message " Account Number Character are not allowed" is shown	pass
				verify Amount	A withdraw will not be possible with an Empty amount	1- fill a correct Account Number 2- keep Amount Empty 3- fill a Description 4- click on Submit button	1- Account number:1234 2- Amount: 3- Description:Desception	An error message "Amount cannot be empty" must be shown	No error message is shown	fail
					A withdraw will not be possible with a special character in an amount	1- fill a correct Account Number 2- fill an Amount with a special char 3- fill a Description 4- click on Submit button	1- Account number:1234 2- Amount:500# 3- Description:Desception	An error message "Amount contain Special Characters" must be shown	No error message is shown	fail
					A withdraw will not be possible with a character in an amount	1- fill a correct Account Number 2- fill an Amount with a char 3- fill a Description 4- click on Submit button	1- Account number:1234 2- Amount:500E 3- Description:Desception	An error message " Amount Character are not allowed " must be shown	No error message is shown	fail
				verify Description	A withdraw will not be possible with an Empty Description	1- fill a correct Account Number 2- fill a correct Amount 3- keep a Description Empty 4- click on Submit button	1- Account number:1234 2- Amount:500 3- Description:	An error message "Description cannot be empty" must be shown	An error message "Description cannot be empty" is shown	pass
			change password	verify Old Password	A password will not be changed with Empty Old pass	1- keep an Old Password Empty 2- fill a correct New Password 3- fill a Confirm Password 4- click on Submit button	1- Old Password: 2- New Password:123Asd# 3- Confirm Password	An error message "Old Pass cannot be empty" must be shown	Cannot be executed due to connection issue	fail
				verify New Password	A password will not be changed with Empty New pass	1- fill a correct Old Password 2- keep a New Password Empty 3- fill a Confirm Password 4- click on Submit button	1- Old Password:123Asd! 2- New Password: 3- Confirm Password	An error message "New Pass cannot be empty" must be shown	Cannot be executed due to connection issue	fail
					A password will not be changed if a new pass doesn't contain at least 1 numeric value	1- fill a correct Old Password 2- Enter a New Password without numeric values 3- fill a Confirm Password 4- click on Submit button	1- Old Password:123Asd! 2- New Password:asdfghj## 3- Confirm Password	An error message "Enter at-least one numeric value" must be shown	Cannot be executed due to connection issue	fail
					A password will not be changed if a new pass doesn't contain at least 1 special char	1- fill a correct Old Password 2- fill a New Password without a special char 3- fill a Confirm Password 4- click on Submit button	1- Old Password:123Asd! 2- New Password:asdfghj12 3- Confirm Password	An error message "Enter at-least one special character" must be shown	Cannot be executed due to connection issue	fail
				verify confirm Password	A password will not be changed with Empty confirm pass	1- fill a correct Old Password 2- fill a correct New Password 3- keep a Confirm Password Empty 4- click on Submit button	1- Old Password:123Asd! 2- New Password:123Asd# 3- Confirm Password	An error message "Confirm Pass cannot be empty" must be shown	Cannot be executed due to connection issue	fail
					A password will not be changed if a new pass doesn't match the confirm pass	1- fill a correct Old Password 2- fill a correct New Password 3- Enter a Confirm Password doesn't match a new pass 4- click on Submit button	1- Old Password:123Asd! 2- New Password:123Asd# 3- Confirm Password:123asd#	An error message " Passwords do not Match" must be shown	Cannot be executed due to connection issue	fail
					A customized statement will not be possible with an Empty account Number	1- keep an Account No Empty 2- fill a correct From Date 3- fill a correct To Date 4- fill a correct Amount Lower Limit 5- fill a correct Number Of Transaction 6- click on Submit button	1- Account Number: 2- form Date:date 3- To Date:date 4- Amount lower limit:100 5- Num of transaction:1234	An error message "Account Number cannot be empty" must be shown	An error message "Account Number cannot be empty" is shown	pass

Manager / Customer	Customized Statement Form	Verify account number	A customized statemen will not be possible with a special character in an account Number	1- Enter an Account No wiht a special char 2- fill a correct From Date 3- fill a correct To Date 4- fill a correct Amount Lower Limit 5- fill a correct Number Of Transaction 6- click on Submit button	1- Account Number:1234# 2- form Date:date 3- To Date:date 4- Amount lower limit:100 5- Num of transaction:1234	An error message "Account Number contain Special Characters" must be shown	An error message "Account Number contain Special Characters" is shown	pass
			A customized statemen will not be possible with a char in account number	1- Enter an Account No wiht a char 2- fill a correct From Date 3- fill a correct To Date 4- fill a correct Amount Lower Limit 5- fill a correct Number Of Transaction 6- click on Submit button	1- Account Number:1234E 2- form Date:date 3- To Date:date 4- Amount lower limit:100 5- Num of transaction:1234	An error message " Account Number Character are not allowed" must be shown	An error message "Account Number contain Special Characters" is shown	fail
		Verify Amount lower limit	A customized statement will not be possible with an Empty amount lower limit	1- fill a correct Account No 2- fill a correct From Date 3- fill a correct To Date 4- keep a Amount Lower Limit Empty 5- fill a correct Number Of Transaction 6- click on Submit button	1- Account Number:1234 2- form Date:date 3- To Date:date 4- Amount lower limit: 5- Num of transaction:1234	An error message "Amount Lower Limit cannot be empty" must be shown	An error message "Amount Lower Limit cannot be empty" is shown	pass
			A customized statemen will not be possible with a special character in an amount lower limit	1- fill a correct Account No 2- fill a correct From Date 3- fill a correct To Date 4- Enter an Amount Lower Limit with a special char 5- fill a correct Number Of Transaction 6- click on Submit button	1- Account Number:1234 2- form Date:date 3- To Date:date 4- Amount lower limit:100# 5- Num of transaction:1234	An error message "Amount Lower Limit cannot be empty" must be shown	An error message "Amount Lower Limit cannot be empty" is shown	pass
			A customized statemen will not be possible with a char in amount lower limit	1- fill a correct Account No 2- fill a correct From Date 3- fill a correct To Date 4- Enter an Amount Lower Limit with a char 5- fill a correct Number Of Transaction 6- click on Submit button	1- Account Number:1234 2- form Date:date 3- To Date:date 4- Amount lower limit:100E 5- Num of transaction:1234	An error message "Amount Lower Limit cannot be empty" must be shown	An error message "Amount Lower Limit cannot be empty" is shown	pass
		Verify Number of Transaction	A Number of Transactiont will not be possible with an Empty amount lower limit	1- fill a correct Account No 2- fill a correct From Date 3- fill a correct To Date 4- fill a correct Amount Lower Limit 5- keep a Number Of Transaction Empty 6- click on Submit button	1- Account Number:1234 2- form Date:date 3- To Date:date 4- Amount lower limit:100 5- Num of transaction:	An error message "Number of Transaction cannot be empty" must be shown	Connection Error is shown " Warning: mysql_connect() [function.mysql┐connect]: Access denied for user 'root'@'localhost' (using password: NO) in /home/demo/public _html/V1/html/edit C ustomerPage.php on line 3 could not connect Access denied for user 'root'@'localhost' (using password: NO) "	fail
			A Number of Transaction will not be possible with a special character in an amount lower limit	1- fill a correct Account No 2- fill a correct From Date 3- fill a correct To Date 4- fill a correct Amount Lower Limit 5- Enter a Number Of Transaction with a spaecial char 6- click on Submit button	1- Account Number:1234 2- form Date:date 3- To Date:date 4- Amount lower limit:100 5- Num of transaction:1234#	An error message "Number of Transaction cannot have special character" must be shown	An error message "Number of Transaction cannot have special character" is shown	pass
			A Number of Transaction will not be possible with a char in amount lower limit	1- fill a correct Account No 2- fill a correct From Date 3- fill a correct To Date 4- fill a correct Amount Lower Limit 5- Enter a Number Of Transaction with a char 6- click on Submit button	1- Account Number:1234 2- form Date:date 3- To Date:date 4- Amount lower limit:100 5- Num of transaction:1234E	An error message " Number of Transaction Character are not allowed" must be shown	An error message " Number of Transaction Character are not allowed" is shown	pass
	Mini Statement Page	verify account number	A Mini Statement Page not be possible with an Empty account Number	1- keep an Account No Empty 2- click on Submit button	1- Account No:	An error message "Account Number cannot be empty" must be shown	No error message is shown	fail
			A Mini Statement Page will not be possible with a special character in an account Number	1- Enter an Account No with a special char 2- click on Submit button	1- Account No:1234#	An error message "Account Number contain Special Characters" must be shown	An error message "Account Number contain Special Characters" is shown	pass
			A Mini Statement Page will not be possible with a char in account number	1- Enter an Account No with a char 2- click on Submit button	1- Account No:1234E	An error message " Account Number Character are not allowed" must be shown	An error message " Account Number Character are not allowed" is shown	pass

		Fund Transfer	verify Payers account no	A Fund Transfer not be possible with an Empty Payers account no	1- keep a Payers account no Empty 2- fill a correct Payees account no 3- fill a correct Amount 4- click on Submit button	1- Payers account no: 2- Payees account no:123 3- Amount:1000	An error message "Payers account no cannot be empty" must be shown	No error message is shown	fail
				A Fund Transfer will not be possible with a special character in a Payers account no	1- Enter a Payers account with a special char 2- fill a correct Payees account no 3- fill a correct Amount 4- click on Submit button	1- Payers account no:456# 2- Payees account no:123 3- Amount:1000	An error message "Payers account no contain Special Characters" must be shown	No error message is shown	fail
				A Fund Transfer will not be possible with a char in Payers account no	1- Enter a Payers account with a char 2- fill a correct Payees account no 3- fill a correct Amount 4- click on Submit button	1- Payers account no:456E 2- Payees account no:123 3- Amount:1000	An error message " Payers account no Character are not allowed" must be shown	No error message is shown	fail
			verify Payees account no	A Fund Transfer not be possible with an Empty Payees account no	1- fill a correct Payers account 2- keep a Payees account no Empty 3- fill a correct Amount 4- click on Submit button	1- Payers account no:456 2- Payees account no: 3- Amount:1000	An error message "Payees account no cannot be empty" must be shown	No error message is shown	fail
				A Fund Transfer will not be possible with a special character in a Payees account no	1- fill a correct Payers account 2- Enter a Payees account no with a special char 3- fill a correct Amount 4- click on Submit button	1- Payers account no:456 2- Payees account no:123# 3- Amount:1000	An error message "Payees account no contain Special Characters" must be shown	No error message is shown	fail
				A Fund Transfer will not be possible with a char in Payees account no	1- fill a correct Payers account 2- Enter a Payees account no with a char 3- fill a correct Amount 4- click on Submit button	1- Payers account no:456 2- Payees account no:123E 3- Amount:1000	An error message " Payees account no Character are not allowed" must be shown	No error message is shown	fail
			verify Amount	A Fund Transfe will not be possible with an Empty amount	1- fill a correct Payers account 2- fill a correct Payees account no 3- keep an Amount Empty 4- click on Submit button	1- Payers account no:456 2- Payees account no:123 3- Amount:	An error message "Amount cannot be empty" must be shown	An error message "Amount cannot be empty" is shown	pass
				A Fund Transfe will not be possible with a special character in an amount	1- fill a correct Payers account 2- fill a correct Payees account no 3- Enter an Amount with a special char 4- click on Submit button	1- Payers account no:456 2- Payees account no:123E 3- Amount:1000#	An error message "Amount contain Special Characters" must be shown	An error message "Amount contain Special Characters" is shown	pass
				A Fund Transfe will not be possible with a character in an amount	1- fill a correct Payers account 2- fill a correct Payees account no 3- Enter an Amount with a char 4- click on Submit button	1- Payers account no:456 2- Payees account no:123E 3- Amount:1000E	An error message " Amount Character are not allowed " must be shown	An error message " Amount Character are not allowed " is shown	pass
		Balance enquiry	verify account no	A Balance enquiry will not be possible with an Empty account Number	1- keep an Account Number Empty 2- click on Submit button	1- Account Number:	An error message "Account Number cannot be empty" must be shown	Connection Error is shown " Warning: mysql_connect() [function.mysql_connect]: Access denied for user 'root'@'localhost' (using password: NO) in /home/demo/public_html/V1/html/editCustomerPage.php on line 3 could not connect Access denied for user 'root'@'localhost' (using password: NO) "	fail
				A Balance enquiry will not be possible with a special character in an account Number	1- fill an Account Number with a special character 2- click on Submit button	1- Account Number:0115#	An error message "Account Number contain Special Characters" must be shown	An error message "Account Number contain Special Characters" is shown	pass
				A Balance enquiry will not be possible with a char in account number	1- fill an Account Number with a character 2- click on Submit button	1- Account Number:0115E	An error message " Account Number Character are not allowed " must be shown	An error message " Account Number Character are not allowed " is shown	pass
